

HB 105-M

E-NR: 6332860

EN Grade 3 approved Personal attack switch with dual momentary push-buttons

EN 3

The HB 105-M is a mechanical personal attack button approved in EN Grade 3 that can be used for various functions within in an alarm system.

The HB 105-M has two momentary push-button switches with alternating (NC/ NO) function in the terminal. The buttons can be assigned either a single function or separate functions.

There is also an input to control the built-in LED as well as an anti-tamper switch to protect against unauthorised opening.

TECHNICAL DETAILS

Contact rating	30 VDC / 100 mA
Alarm indication	LED
Operating temperature	-10 – +55°C
Product type	Detectors
Housing protection class	IP 31
Environment	Indoor
Dimensions (L x W x H) mm	80 x 65 x 30
Product group	Panic button
Product feature	Surface-mounted
Security class	3
