

RC 4

Relay card, 10-30 VDC

Technical data

| Relay output | 2 x NC/NO |
|-----------------------------|---|
| Supply voltage | 10-30 VDC |
| Current consumption | 16 mA at 12 VDC / 21 mA at 30 VDC |
| Contact rating | 30 VDC / 2 A / 60 VA |
| Connection | Screw terminals with self-lifting clamp |
| Operating temperature range | -20 to +50°C |
| Dimensions (L x W x H) mm | 48 x 29 x 16 |
| Description | Relay card, 10-30 VDC |

The RC 4 is a compact and universal relay card for AC or DC supply with dual alternating (NC / NO) relay function 2A. Connection is provided via screw terminal with self-lifting clamp.

Transistor control of the relay means a very low control signal is required (1 mA, 12V). The card has a high impedance input for controlling the relay. An activated relay is indicated via a LED.

Supplied with self-adhesive pad for easy installation.
