

3043

E-NR: 6310567

Distribution module for power distribution with up to 60 V/ 20 A for cables up to 4,0 mm2, 2 pair IN > 8 pair Out

Distribution module for power distribution 2>8 pair

Distribution module for thicker cables with a supply current of 60 V/ 20 A per incoming pair of conductors which are connected in parallel with 8 separate connection terminals for outgoing distribution cables. 2 pair IN and 8 pair OUT.

Up to 4.0mm2 screw connection with lift function for thicker cables to be used in security systems, CCTV and access control systems. The distribution module can be mounted in Fatum's modular program of metal boxes. Also suitable for mounting on top of PSV power supply modules.

TECHNICAL DETAILS

Cable dimension - screw terminals	0,2-4,0 mm2
Input max. load	60 V / 20 A
Dimensions (L x W)	116 x 40
Product type	Connection accessories
Environment	Indoor
Connection terminal	Pairing
Terminal type	Screw/screw
