

CG 100

Cable Conduit

E-NR: 6332812

The CG 100 is a cable conduit that simplifies usage and protects the glass break detector's cable or the magnetic contact when running a cable from a window through the frame to other connection points. Suitable for windows and door frames made of wood, plastic, aluminium or steel, and provides a safe and discreet installation. Sold in packs of 100 pieces.
